# CAREER TASTERS - PERTH

## NURSING & MEDIC

Ready to explore the exciting world of healthcare? Dive into our action-packed Healthcare Pathways taster and discover three amazing career directions! Try your hand at nursing skills like checking vital signs and patient care, experience the adrenaline rush of emergency response as a medic. You'll get hands-on experience with real medical equipment, learn life-saving techniques, and discover what it's like to be part of a healthcare team. Perfect for students who want to make a difference in people's lives - no experience needed! Bring your enthusiasm and caring spirit, and let's explore if a career in healthcare could be in your future! 🏥💡❤️

## ALLIED HEALTH

Curious about the many ways you can help people live their best lives? Dive into our Allied Health taster and discover a world of amazing healthcare careers! You'll explore different specialties like physiotherapy, occupational therapy, speech pathology, and more - all in one exciting session. Get hands-on experience with rehabilitation equipment, try out therapy techniques, and learn how different allied health professionals work together to help people recover and thrive. Whether you're interested in helping people recover from injuries, supporting kids with special needs, or assisting elderly patients to stay independent, come discover which allied health path could be your perfect fit! ⭐💡❤️

## ANIMAL, ZOOLOGY, MARINE & ENVIRONMENT

Passionate about wildlife, ocean life, and protecting our planet? Jump into our exciting Natural Sciences taster and discover where your love for nature could take you! Get hands-on experience working with animal specimens, explore marine ecosystems, and learn how environmental scientists tackle real-world conservation challenges. You'll dive into fascinating activities like studying animal behaviour, investigating habitats, and understanding how our ecosystems work together. Perfect for students who dream of working with wildlife or protecting our environment! Whether you're fascinated by wildlife rehabilitation, marine conservation, or environmental science, this is your chance to explore if a career in natural sciences could be your calling! 🐾🌿🐳

## LAB SKILLS & FORENSICS

Step into the fascinating world of scientific investigation! In our Lab Skills and Forensics taster, you'll discover what it's really like to be a science detective. Get hands-on experience in a laboratory setting where you'll learn to use professional equipment, analyse mysterious samples, and uncover evidence just like real forensic scientists do. You'll try exciting techniques like fingerprint analysis, microscopy, and chemical testing, all while learning how science helps solve real-world mysteries. If you've ever wondered what happens behind those lab doors or dreamed of being a scientific investigator, this is your chance to explore if a career in lab science could be your future! 🔬🕒🧪

## FITNESS, SPORT & NUTRITION

Love staying active and helping others reach their health goals? Jump into our dynamic Fitness, Sport & Nutrition taster and discover how to turn your passion into an exciting career! Get hands-on experience using professional fitness assessment tools, learn about training techniques, and explore the science of nutrition and wellbeing. You'll try out real fitness programming, discover how the body works during exercise, and learn what makes a balanced nutrition plan work. You'll get to explore different career paths like personal training, sports coaching, and nutrition advice. If you're excited about helping others achieve their fitness dreams and living a healthy lifestyle, come discover if a career in the fitness and wellbeing industry could be perfect for you! 💪🏃🥗

# CAREER TASTERS - PERTH

## How to Book

- All bookings must be made via the VET Coordinator using the booking form on the following page. VET Coordinator endorsement is required to ensure that students attending have good standing and the right intent.
- Please email your completed form through to [student@healthsciencehub.com.au](mailto:student@healthsciencehub.com.au)
- HSH will email booking confirmation.
- Invoice to be paid in 7 days. Refunds will be available for cancellations up to 5 days before the workshop.

## Locations

- Health Science Hub Perth is located at Level 1, 100 Stirling Street, Perth. We are 400m from the Perth Central Train Station and 300m from the McIver Train Station.
- Health Science Hub Subiaco is located in Lords Recreation Centre, Subiaco. Subiaco is the closest train station, and there are regular buses in the area.
- Students are responsible for getting to and from the HSH locations for their bookings.

## What to wear/bring

- Fitness - Please wear sneakers, shorts/leggings, and t-shirt.
- Nursing, Allied, Animal, lab/forensics - For everyone's comfort and safety during our hands-on activities, please wear:
  - Comfortable, closed-in shoes (no thongs/crocs/slippers).
  - Neat, casual clothing that you can move around in easily and keeps you covered when bending or reaching.
- Water Bottle, morning tea/snacks, & lunch (No students are to leave the HSH Classrooms between 9-3pm).
- Notebook & Pen.

## Alternative Options

- Want to give your students an exclusive HSH experience? We can arrange a dedicated career taster session just for your school! Book all 20 spots for your students and choose a date that works with your school calendar. This allows you to keep your students together as a group, and we can customise the experience for your school's needs.
- Want the HSH experience at your school? Our expert trainers can bring the career taster right to your campus! We'll transform your classroom space into an interactive learning environment by bringing all necessary equipment and materials, providing hands-on activities adapted for your facilities. Additional costs apply for travel and resources.
